

Dr. RK Khulbe Sr. Scientist	
Qualification	Ph.D.
Specialisation	Genetics & Plant Breeding
Department	Crop Improvement Division
Official email	Rajesh.Khulbe@icar.gov.in
Personal email	rkkhulbe@gmail.com
Contact Number	9411324346
Research Experience	Apr 2000-Apr 2006 (Vegetable Breeding, Private Seed Sector) May 2006-Apr 2012 (Pulses Breeding, GBPUA&T Pantnagar) Apr 2012-present (Small millets breeding, Maize Breeding, Seed Production, ICAR-VPKAS Almora)
Current Research Projects	Institute Project: <ol style="list-style-type: none"> Genetic Enhancement of Maize for Yield and Nutritional Quality Using Integrated Breeding Approach Consortia Research Platform projects: <ol style="list-style-type: none"> CRP on Biofortification of Selected Crops for Nutritional Security (Maize) CRP on Molecular Breeding (Maize) NASF-funded project: <ol style="list-style-type: none"> Utilization and Refinement of Haploid / Doubled Haploid Induction Systems in Rice, Wheat and Maize Using In Vitro and Molecular Strategies
Area of Interest	Crop Improvement, Genetic Resources
Publications (in numbers)	Research Papers: 37 Papers in proceedings:16 Books: Nil Book Chapters:7 Popular Articles:6 Technical Bulletins:8
Awards	-
Membership of Societies	Member, Indian Society of Genetics & Plant Breeding Member, Indian Society of Hill Agriculture
