| Er. Utkarsh Kumar Scientist |  |
| Qualification | M. Tech. (Land and Water Resource Engineering) Agricultural and Food Engineering Department IIT Khaaragpur |
| Specialisation | Land and Water Management Engineering |
| Department | Crop Production Division |
| Official email | utkarsh.kumar@icar.gov.in |
| Personal email | utkarsh.mailid@gmail.com |
| Contact Number | 9875436063, 9933989006 |
| Research Experience | 5 months (Former Research Scientist NRSC ISRO, Hyderabad) |
| Current Research Projects | Co-PI- AICRP on PET Co-PI- Water harvesting and effective utilization of water for enhancing crop productivity and input use efficiency PI-Sub-Project : Identification of micro watershed (natural spring) using Remote sensing & GIS technique and its runoff estimation for potential water harvesting |
| Area of Interest | Remote Sensing and GIS, Hydrological Modeling, Soil and Water Conservation, Surface Water Hydrology |
| Publications | Research Papers: Papers in proceedings: 1 Books: Book Chapters: Popular Articles: 1 Technical Bulletins: |
| Awards | Best Poster Award, ICNDE 2018, IIT Kharagpur |
| Membership of Societies | |
